If I was a river (by Tina Arena)[3]

If I was the sun, I would shine my light
To light your world.
And if was the rain, I would wash your tears away.
I'd keep your world right. Be your light in the night.
If I was the sky, I would bring down love in to your life.

Refrain:
If was a river, you'd be my ocean.
Every stream would lead into your arms.
And if I was a river, it would be for ever.
Love would run for ever in this heart of mine.

If I was the wind, I would carry you above the clouds.

If I could, I'd be all you ever would be.
I would be your world. You're the only world there is for me.

Refrain;
If I was a river, …
