

Dialogue Paddington Bear – Sophie (Example)

Situation: Paddington Bear is missing his favourite marmalade. He is sure that one of his friends must have taken it. He's talking to Sophie about his plan.

Hi Sophie. I'm missing my favourite marmalade. Someone must have taken it.

Oh Paddington Bear, are you sure?

Yes, I am. Tomorrow **I'm going to be** my own detective and dress like Sherlock Holmes.

What **are you going to wear**, Paddington Bear?

I'm going to wear a hat and a long coat. And I'm going to smoke a pipe.

Hat, coat and pipe. That's a good idea!

After breakfast **I'm going to buy** a magnifying glass.

How **are you going to start**?

I'm going to make a list of my friends who love marmalade.

And what **are you going to do** next?

Then **I'm going to visit** these friends for afternoon tea.

M4 Example

I'm going to look for my marmalade with my magnifying glass in their houses.

And how **are you going to find** out who is the thief?

OK Paddington Bear. I wish you good luck!
